COLECCIÓN COLLECTION

El retorno a la sencillez. La búsqueda del equilibrio y la armonía estética, la belleza de la sencillez, la elegancia de la pureza. Una mezcla de lo estático y lo dinámico, de la tradición con la modernidad.

Los postulados de Vitruvio, el Modulor de Le Corbusier o las nuevas teorías de la Bauhaus. Hemos viajado a través de la arquitectura descubriendo una forma armónica y funcional que permanece en el tiempo: Doppel, el rectángulo doble cuadrado.

Nuestra primera colección en formato rectangular. Un universo de proporciones exactas 1:2 en tonos suaves y acabado mate, que reproduce el aspecto de las rocas. ¡Llena tus espacios de calidez, reposo, calma y energía!

The return to simplicity. The search for balance and aesthetic harmony, the beauty of simplicity, the elegance of purity. The mixture of static and dynamic, of tradition and modernity.

Vitruvius' theories of beauty, Le Corbusier's Modulor, modern Bauhaus theories of design. We've traversed the history of architecture to discover a harmonious and functional form that is timeless: Doppel, the two-square rectangle.

Our first collection in rectangular format, envelops us in a world of precise 1:2 proportions. Its soft hues and matte finish recreate the appearance of rocks. Fill your spaces with warmth, rest, calm and energy!
